## WELCOME TO OUR NEW WEBSITE!

*The recently redesigned JEGplastics.com provides instant access to our color match tool, expanded information about our capabilities, and several new ways to put us to work on your next project.*

*You will immediately notice simpler navigation and you will have 24/7 access to our Color Match Tool.*

*Here are three things you'll love about the new JEGPlastics.com:*

- 1. Homepage - easily see upcoming events, Color Match Tool, industry news, and quick links to get to where you want to go.*
- 2. Color Match Tool - powerful yet straightforward feature allowing you to put your project ideas into motion within 24 hours. Send us a request and we will immediately begin designing a custom color formula to fit your needs.*
- 3. Industry News - We will be continually expanding our online content to bring you updated and relevant information, while archiving previous stories for your reference.*

*We invite you to explore our new site as soon as you can, and we'd love to get your feedback so we can continue to improve it for your ease of use. Of course, please feel free reply to this e-mail or call our office at 614-882-1295.*

*JEG Inc. supplies high quality colorants to plastic molders that recognize the importance of color in branding and product recognitions.*
